ALL-COUNTY INFORMATION NOTICE NO. 1-07-88

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: FOSTER CHILD'S PLACEMENT SUMMARY, FCI090-4

The purpose of this letter is to inform you that the State Department of Social Services' Statistical Services Section has terminated the production and distribution of the Foster Child's Data Record Summary Report and microfiche FCI090-30. Instead the Foster Child's Placement Summary FCI090-1 will be produced and distributed in its place. It was developed with the assistance of the now disbanded FCIS Advisory Committee of the County Welfare Directors Association, for the purpose of inclusion in the case record.

The revised report will include only identifying information and case placement history, as reported to the Foster Care Information System (FCIS). The initial report will include the current placement information as well as all placements reported after July 1, 1987. It will be produced about February 15, 1988 for all active cases on the FCIS at that time.

Thereafter, the report will be regularly produced and distributed around the 15th of each month for all cases that have been opened, reopened, terminated or in which a change of placement has been reported to the system in the previous month.

Questions and comments regarding this report should be directed to your FCIS analyst at (916) 322-5462 or ATSS 473-5462.
